Executive Director

Product review is conducted according to the policies in the current *OMRI Policy Manual*<sup>3</sup> and based on the standards in the current *OMRI Standards Manual*<sup>2</sup>. To verify the current status of this or any OMRI Listed product, view the most current version of the *OMRI Products List*<sup>3</sup> at [OMRI.org](http://OMRI.org). OMRI listing is not equivalent to organic certification and is not a product endorsement. It cannot be construed as such. Final decisions on the acceptability of a product for use in a certified organic system are the responsibility of a USDA accredited certification agent. It is the operator's responsibility to properly use the product, including following any restrictions.
